Is a genuine specific for diseases of the stomach and organs of digestion and nutrition. No other medicine has had so remarkable a success in curing diseases affecting the heart, liver and lungs, whenever these diseases, as is commonly the case, were caused by "weak stomach" and impure blood. Food imperfectly digested cannot be perfectly assimilated. "Golden Medical Discovery" restores the organs of digestion to perfect working order. Poul blood must result in a fine body. The "Discovery" purifies the blood and increases the activity of the blood-making glands, so increasing the quantity and quality of the blood supply. It has been tried by over half-a-million people. It has cured ninety-eight out of every hundred who have tried it.

Take in Time, Tolu-Pine.

That tickling cough will kill in time if not knocked off with Tolu-Pine. For hacking coughs that irritate Tolu-Pine is the stuff to take. Say, Tolu-Pine will soon get rid of the wheezy cough of the phthisis kid.

To loosen the cough that is hoarse and tight Tolu-Pine is always right.

The only good there's in this rhyme is to catch and hold your eyes in line. That you may know that now's the time

To stop that cough with Tolu-Pine. Coughs that come with a wheezy wheeze

Tolu-Pine gives quickest ease. Come home, dear father, come home. When the clock on the college strikes nine.

And don't fail to bring One particular thing— That's Richardson's Tolu-Pine. A bit of doggerel now and then

Gets twisted in a fellow's pen And seems to kink right into rhyme With—stop that cough with Tolu-Pine. Price 25c. Five bottles, \$1.

In fact he received one of the largest shipments of candles ever brought to the city and has more than two tons stored away ready for his large trade. His place is located on Front street, just one door south of George Wieser's, and everybody is invited to call before making their purchases, as the prices he gives on large quantities of candles and fruits are far below what any one else can offer. He has a fine line of select baskets, which he fills at lowest price.

BOUND AND GAGGED

Was Aged Couple by a Negro Robber Near This City.

One of the meanest and boldest robberies ever committed near this city occurred about five miles below here on the West Virginia side early Thursday morning. Abraham Johnson and wife, an aged couple, who are quite well known in this city, were awakened from their sleep to find a large negro in their room. The negro had a rope with him, and under terrible threats forced them to lie still while he bound and gagged them. He then proceeded to search the house and succeeded in finding a gold watch and \$2 in money which he carried off with several other small articles. The aged man finally, after great effort, released himself and then released his wife, who was almost paralyzed with fear. He then notified the neighbors, but the brute had made good his escape. The police officers of this city and at Parkersburg were notified. However, no trace of the robber could be found.

LARGE VOLUME

Marked the Day's Trading on the New York Exchange.

By Associated Press

New York Dec. 27.—The market digested an enormous amount of stocks on profit taking today. These heavy offerings were not without effect on prices, and there was a very general reaction, but like yesterday the market again demonstrated its marvelous recuperative powers and speculative enthusiasm shifted into new quarters where buying was resumed with unabated confidence.

In a large part of the general list the movement of prices was not wide at any time and a large volume of business was accomplished without either making an inroad on the market value or increasing it.

The Grangers and Pacifics were the distinguishing feature of the day, and the trading was a development of aggressive strength in a large group of low priced stocks, both in railroad and miscellaneous departments.

Money loaned at six per cent. The total shares traded in numbered 1,490,000.

Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound of imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
